10th February 2026

Dear Parents/Carers,

Year 11 Maths Revision Sessions

As pupils continue to prepare for their GCSEs, the maths department will be offering regular drop-in sessions to Year 11 pupils, starting after half term on **Wednesday 25th February;** these sessions will be held every **Wednesday between 3.20pm and 4.15pm in Maths 3**. There is no need to pre-register, and all are welcome to attend as many or as few sessions as they like. We do ask that pupils attend the full session until 4.15pm and ensure that arrangements have been made for transport home afterwards.

Some pupils may already have received an invite to intervention sessions with Mrs Foulger which are also scheduled for a Wednesday after school. If your child has received an invite, we ask that they attend the sessions with Mrs Foulger rather than the above drop-in sessions.

In the past, those attending have found these sessions the most useful if they arrive with particular topics or questions that they would like support with, so we would advise pupils look over any past homework papers or previous revision materials to maximise the effectiveness of these sessions.

If you would like any further information, please do not hesitate to get in touch.

Kind Regards,

Mr J Bloodworth
2nd in Maths
